

NOTICE OF RIGHT TO REASONABLE ACCOMMODATION

If you have a disability and, as a result of your disability, you need special consideration as a participant or applicant in FWHA housing programs, you may request a reasonable accommodation from FWHA.

A reasonable accommodation request is one that does not pose an undue financial or administrative burden on the housing authority. In addition, you must be able to show you have a disability.

Once your request for a reasonable accommodation is received, FWHA will review it and may ask for additional documentation in order to make a decision to either approve or deny the request.

You may ask for assistance in filling out a request for a reasonable accommodation. *All information you provide will be kept confidential and will be used only to assist you in assuring you have an equal opportunity to participate in the Housing Choice Voucher Program or Special Programs.*

I acknowledge I have been given a notice of my right to request a reasonable accommodation. I further acknowledge that signing this document does not constitute a request for a reasonable accommodation.
